The series is authored by acclaimed writer and artist Alex Mercer, known for their innovative approach to storytelling and their deep understanding of culinary history and mythology.

The story is set in a fictional universe called Gastronomica, a vast realm where various kingdoms and factions vie for control over sacred ingredients, secret recipes, and culinary artifacts that hold mystical powers. At the heart of this universe lies the Eater Tome, an ancient, enchanted manuscript said to contain the ultimate knowledge of food magic. The first volume introduces readers to key characters, explores the origins of the Eater Tome, and sketches the geopolitical landscape of Gastronomica.

Mythology and Culinary Lore

Mercer's work draws heavily from real-world culinary folklore and myth.
