The Children of Willesden Lane begins in 1938, a time when Europe was on the brink of upheaval. Mona Golabek, the memoir's protagonist and narrator, was a young Jewish girl living in Vienna. As the Nazi regime rapidly expanded its reach, Jewish families faced increasing persecution, culminating in the threat of deportation.

In an effort to save their daughter, Mona's parents entrusted her to the Kindertransport – a rescue effort that transported Jewish children from Nazi-occupied territories across Europe to safety in Britain. Mona was sent alone to London, where she found refuge in the Willesden Jewish Boys' and Girls' Hostel, located in the Willesden neighborhood of London. This move marked a turning point, not only sparing her from the Holocaust's immediate horrors but also thrusting her into a new world filled with challenges and opportunities.

A central theme of the memoir is the transformative power of music. Mona's talent as a pianist becomes a symbol of hope and resilience.
