- Self-reports or peer assessments of application.
- Evidence of lesson plan modifications.
- Use of assessment data to inform instruction.

Application is a critical step, as it demonstrates that learning is translating into practice.

Encourage educators to regularly reflect on their professional growth, using indicators as prompts for self-assessment and dialogue with peers.

Utilize Data Responsibly and Ethically

Handle data with confidentiality and fairness, avoiding punitive measures. Use indicators to support development rather than to penalize.

Incorporate Multiple Measures

Rely on a combination of participation, engagement, application, and impact indicators for a well-rounded evaluation.
